INSTRUCTIONS:

The learner who presented this questionnaire to you is involved in the Birth to Twenty Research Programme at the University of the Witwatersrand. Birth to Twenty is the largest and longest running study of child health and development in Africa and we have been following this child since his/her birth in 1990.

Please complete this short questionnaire and return it in the self-addressed envelope. Your rating is confidential. It will be most helpful for us if you are honest in your assessment of the child.

If you have any questions please do not hesitate to contact Zukiswa Mhlapo at the Birth to Twenty Administration Office – (011) 4883602

Thank you for your time in completing this questionnaire.
