

## **POSTGRADUATE COORDINATORS THE FACULTY OF HEALTH SCIENCES**

### **1. PhD and Masters programs by dissertation**

Applicants are invited to submit their applications online using below link for the above-mentioned postgraduate programs in the Faculty of Health Sciences

[www.wits.ac.za/applications](http://www.wits.ac.za/applications)

Admissions and enrolment intakes in a year are planned for the same academic session the following time frames apply:

**01 January – 31 January** for the intake into the January Admissions Calendar

**01 April – 30 April** for the intake into the April Admissions Calendar

**01 July – 31 July** for the intake into the July Admissions Calendar

OR

When an application is made in the year prior to the year of enrolment, the following time frames apply:

E.g. **01 April 2024 – 30 November 2024** for the intake into the **January 2025** Admissions Calendar

### **The following documents are required**

1. **A letter from applicant's proposed supervisor** confirming willingness and availability to supervise the applicant
2. **A letter from the HOD** (Head of Department) confirming that applicant has been accepted in the specified Department, to pursue the MSc by dissertation/PhD and that they will support applicant, E.g. in terms of supervision and other academic needs
3. An updated, Detailed Curriculum vitae
4. A sample of written academic work of which you are the primary author e.g. Abstract(Mandatory)
5. **Qualifications**
  - Academic transcripts
  - Degree certificate
  - SAQA – If qualification was obtained outside of SA

Applications for July Admissions Calendar must be received by not **later than 30<sup>th</sup> June**.

Applications that are received after the closing date will automatically be considered for the next Admissions Calendar.

**NB: \*\*\* these are compulsory and it is the responsibility of the applicant to submit the approved letters together with the application form.**

Please note that incomplete applications will not be considered and will not accept. Failure to submit the required information will delay the application process.

Applicants seeking admission to the above postgraduate program types are required to liaise with the department in which they would like to undertake their research.
